DER GASSER

August
1979

President's Message Meeting Notice

At the 1979 Porsche Parade, I took the opportunity to browse thru the monthly newsletters (papers, books, etc.) which other regions produce for their members. There was as great a variety in length, width, height (and thickness) as you might expect. However, they had one thing in common... articles written and submitted by their members.

Our region's newsletter, on the other hand, is almost totally bereft of member-authored articles. Thanks to Dennis Mahoney and his excellent series on lighting, I can say almost totally.

I realize that other officers provide material dealing with their areas of responsibility, but we need input from the general membership as well.

So help us make John English's job of Der Gasser Editor easier: give him something to edit!

Ben Smith

The August 29 meeting of Riesentöter Region, PCA will be held at 8:30 p.m. at the Joshua Tree restaurant (see map). Members attending will have an opportunity to demonstrate their knowledge of Porsches by completing specially selected portions of the Parade's Tech Quiz: Upon determination of the most erudite among several classes, suitable trophies will be awarded.
