president's message

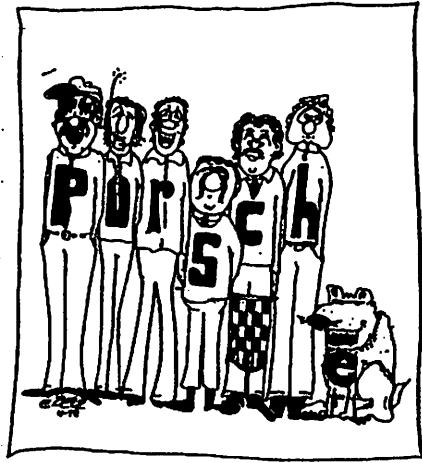

They say that April showers bring May flowers. I would rather that they brought sunny Sundays in May, in particular May 18th. If you are curious why, see our Activities calendar elsewhere in this issue.

For those of you who were not present at our last monthly meeting, I would like to put in writing an announcement I made. We now have a new Zone Representative, Ruby Woodhead, 11404 Luxmanor Rd, Rockville, Md. 20852. Ruby, as you know is the wife of Walt Woodhead who "chaired" the Porsche Parade in Maryland last year. While on the subject of last meeting, our thanks to "Turk" Thacher and Fred Grauer of Sherman Classics for a very interesting presentation, and a look at the past, when men were men and speedsters were... well, speedsters.

K and K Insurance Agency, Inc. has an interesting and (relatively) inexpensive "Physical Damage Insurance Program" available for owners of automobiles like ours. I wrote to them recently and received a copy of the "rules" and the rates. Here are the rates: Comprehensive only, with all riders except collision, no deductible is \$.35 per \$100 of valuation (!). If collision is desired the rate is \$.725 per \$100 of valuation. Yes this is stated value insurance, and you must have liability insurance with another company. A good buy? I think so. Hope these rates are available when my policy on the Porsche comes up for renewal.

IT'S ALL HAPPENING AT THE ZOO

So come on and check it out. See what the birds and the bears do in the Spring! Join Porsche Club at the Philadelphia Zoo Sunday May 4 at 1PM. We will meet at the Main Gate. Group admission is \$1.75 Adults and \$.75 Children. If you join us late individual admission is \$3 Adults and \$1.50 for children (children 2-11). The zoo is located at 34th and Girard just off the Schuykill at the Girard Avenue exit.

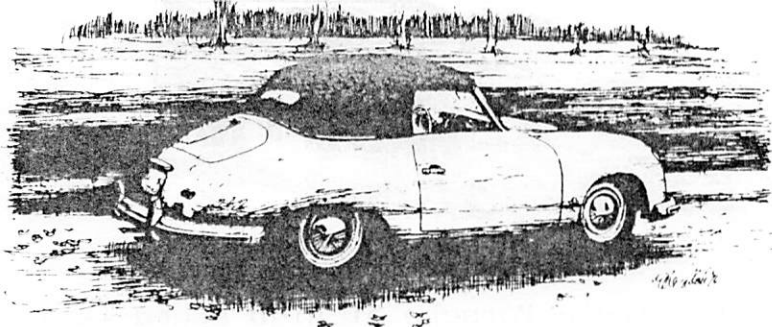

Bring your camera and start collecting pictures for the Second Non-Annual Porsche Club Photo Contest. (details to be determined)

So bring yourself, your family, your friends, your camera and your Porsche for a Spring outing. Should rain appear bring everything except your Porsche.

See you there!

LIFE IN THE VERY FAST LANE

Driving a Porsche at high speed is a very enjoyable experience. The car's superb handling even makes this practice safe in the hands of an inexperienced driver. Unfortunately, the opportunities to enjoy this aspect of the car on public roads are few and always illegal. The solution to this problem is one advantage of PCA Membership which is not frequently exercised by Members of Riesentoter Region. The events that I am referring to are high speed driving schools or as they are called for insurance purposes "Drivers Education".

The only similarity between the PCA events and your high school drivers education class is the name itself. The PCA events are held on regular race tracks. The only limiting factors on speed are the car and drivers' ability to keep it on the pavement. The only pylons used are off the track and are only intended to indicate braking points and corner apexes. The drivers are divided into run groups by driver experience and the car speed potential. For the inexperienced, instructors are available and required for the first sessions. When sufficient expertise has been acquired drivers are permitted to solo.

For those interested in attending one of these events there are many held within reasonable distance throughout the year.

Shattenbaum Region will be holding two events at Lime Rock, Conn. The dates are May 16 and August 1. For registration information contact me at (215)342-0294.

Northern New Jersey Region will be holding an event at Pocono International Raceway on June 6, 7 and 8. They will also

be having one at Watkins Glen, New York on August 9 and 10.

Potomac Region runs several events each year at Summit Point in West Virginia. I will publish more dates and contacts as the information becomes available.

The only equipment necessary are a safety helmet (no loaners will be available), long sleeve shirt, long pants and rubber soled shoes (no sandals). All cars must pass a safety inspection. Inspections are usually held prior to the event. Items that are checked include:

Brake fluid no more than 3 months old

Brake pad thickness

Tire tread-3/32 minimum

Leaking fluids

Looseness in suspension and steering

If anyone is interested in attending one of these events they may contact me for any additional information or they may contact the regions directly.

WAY BACK WHEN

Our April 1965 meeting featured a seminar by Bob Holbert, a PCA'er, who was billed as "ex-champion Porsche and Cobra driver and also your local Warrington, Pa. Volkswagen-Porsche dealer." Those of us who attended last years' Holberts 3 weekend event were treated to a seminar by Al, Bob's son...how time flies!

Also in April 1965 there was an autosprint (?) held at of all places, Christmas Village. Riesentoter had 24 entrants, including 5 woman. The Der Gasser stated that after all the fun they had, they'll never miss another one of these events.

Noted in the "For Sale" section of Der Gasser "2 Speedster seats-good condition \$50.00." I guess I should have bought them then.

CHESAPEAKE CHALLENGE XIII

Chesapeake Region is delighted to announce our multi-regional event, Chesapeake Challenge, will be held the weekend of July 18-20, 1980.

This year, as last, Challenge will be held at the luxurious Hunt Valley Inn which is located just north of Baltimore in the heart of Maryland's beautiful Hunt Country.

Festivities will begin with Registration and Pool Party on Friday night. Show off your Porsche Saturday morning at our Concour d'elegance, followed in the afternoon by a Rallye through Maryland's scenic countryside. Saturday evening, Registrants will enjoy a genuine Maryland Crab Feast and the awarding of trophies for the day's events. There will be plenty of door prizes also!

Last, but certainly not least, registrants will be up bright and early Sunday morning to Hotshoe their way around our Challenging Autocross course.

Immediately following the Autocross will be the final, overall awards ceremony and Brunch.

Challenge registrants may register for all or any part of the Challenge schedule.
